TEAMSTERS UNION

Exhibit Labor

Teamsters Union Local #631 has jurisdiction through a labor agreement with NexxtShow Exposition Services for the erection, touch-up painting, dismantling, and repair of all exhibits when this work is done by persons other than your full-time company personnel. This work is to include wall coverings, floor coverings, pipe and drape, painting, hanging of signs and decorative materials from the ceiling, placement of all signs and the erection of platforms used for exhibit purposes

Exhibitors may set up their own exhibit display if one person can accomplish the task in less than one-half hour (30 minutes) without the use of hand tools.

Local #631's jurisdiction does not cover the placement of your products on display, the opening of cartons containing your products, nor the performance, testing, maintenance or repairs of your products.

If your exhibit preparation, installation or dismantling requires more than one half hour (30 minutes), you must use union personnel supplied by the Official Contractor, NexxtShow Exposition Services. When union labor is required, you may provide your company personnel to work along with a union installer on a one-to-one basis.

If full-time company personnel are utilized to set an exhibit, they should carry positive company identification, such as a medical identification card or payroll stub. This rule prohibits the utilization of workers hired from a non-union agency or company. To secure labor, please utilize the NexxtShow Exposition Services labor by ordering online.

Freight Handling

Teamsters Union Local #631 has jurisdiction through a labor agreement with NexxtShow Exposition Services for the loading and unloading of all trucks, trailers and common and contract carriers as well as the handling of empty crates and the operation of material handling equipment. It also has the jurisdiction of the unloading, uncrating, unskidding, leveling, painting and assembly of machinery and equipment as well as the reverse process.

NexxtShow Exposition Services has the responsibility of receiving and handling all materials and empty crates. It is our responsibility to manage docks and schedule vehicles for the smooth and efficient move-in/move-out of the trade show. NexxtShow Exposition Services will not be responsible for any material it does not handle.

An exhibitor may "hand carry" material provided they do not use material handling equipment to assist them. When exhibitors choose to "hand carry" material, they may not be permitted access to the loading dock/freight door areas. An exhibitor may move materials that can be carried by hand, by one person, in one trip, without the use of dollies, hand trucks, or other mechanical equipment.

Union work rules prohibit the solicitation and or acceptance of tips by any union worker. Workers are paid excellent hourly wages denoting a professional status and tipping is not allowed.

OPERATION OF ALL MECHANICAL LIFTS

ATTENTION ALL EXHIBITORS!

The operation or use of all motorized lifting equipment for installation of booth structures or signs is not permitted by exhibitors or their appointed contractors.

The operation or use of motorized or mechanical material handling equipment is not permitted by exhibitors or their appointed contractors. This also includes all mechanical scooters and carts.

All lifts and manpower must be provided by The OFFICIAL CONTRACTOR.

Thank you for your complete cooperation.
